Io Sakisaka : Strobe Edge, Vol. 8 before purchasing it in order to gage whether or not it would be worth my time, and all praised Strobe Edge, Vol. 8:

0 of 0 people found the following review helpful. Love it!By SashaThe story of Ninako and Ren is so cute! Love this series0 of 0 people found the following review helpful. at the endBy Kamaria Lewisi was so mad when i finished because nine wasn't out yet so now i have to wait forever but soon i'll read nine and find out what happens in this love triangle0 of 0 people found the following review helpful. So, so goodBy Jude~4.5/5[More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.]This is a fantastic series, really. Im pretty sure its

one of my favorites at this point, and one that I could re-read really easily (and have, for some scenes, already). Im going to try to keep my fangirling to a smaller amount than previously, though. To read more fangirling, check out my previous reviews. There a lot of decisions made in this volume, for a few characters. Ninako decides to do something, then is influenced not to. Ren decides to go for it. Ninako talks to Ando, and I feel so bad for the poor guy. Hes so sweet, but hes just not it for Ninako, sadly. Im really enjoying the moments between Ninako and Ren. Theres a lot of eye-gazing between them. Its sweet, and simmering, and so obvious that something is going to happen soon I cant wait. Plus, Im thinking Ren might actually do something soon, and thatll be exciting. Oh, and seeing Ren be more clumsy around Ninako is really funny, but also really good for the relationship; its letting her get to know a deeper part of him. Theres some talk of Ren and Andos relationship in this volume. Its obvious that theres some distance between them, and I do think they need to talk, get back to being closer friends. But I do still think theyre kind of best friends. They get along so well, even if they do fight and compete. Theyre really open with each other. And I think that, whatever happens at the end, theyre going to work it out. Ninako also meets a new character in this volume, Toda. He doesnt really have much to do with the mess that Ninakos going through, and so he plays a really good part for her, someone for her to confide in. And I liked seeing him encourage and help her, and freak out when she cries. (But I just find it hilarious/adorable when a girl cries, and any guy around her freak out.) She really needed someone to push her to do what she needed, and shes still conflicted, but shes maturing over her issues. I like that. The girl from Ren and Andos past is messing stuff up. I dont really like her at this point, but Im mostly waiting to see what shes really up to, and what her reasoning is. Right now, shes just ruining everything. Once again, this was a great volume. Im loving this series. And Im really excited to read the next one, see what all the misconceptions lead to.

A heartwarming story about first love thats one of the most hotly anticipated new shojo series among U.S. fans. What is love, anyway? Ninako Kinoshitas friends tell her its one thing, but Ninako wonders what this mysterious feeling really is. When she meets Ren Ichinose, the handsome, enigmatic guy that all the girls worship, her life takes an unexpected turn. With just a few words and a smile, he changes her world... Ren opens up to Ninako, and her feelings for him escalate to the point where she wants to risk everything to become his girlfriend. But when she realizes that doing so might jeopardize Rens friendship with Ando, will she go through with it? Reads R to L (Japanese Style) for teen audiences.

About the Author Born on June 8, Io Sakisaka made her debut as a manga creator with Sakura, Chiru. Her works include Call My Name, Gate of Planet, and Blue. Her current series, Ao Haru Ride, is currently running in Bessatsu Margaret magazine. In her spare time, Sakisaka likes to paint things and sleep.
