**Keith Giffen : Sugar Spike** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sugar Spike:

They've grown up and now have careers. It stays true to form in regards to the way they interact. She's bossy, he's kind of ditzy.1 of 1 people found the following review helpful. Collection of very good stories. Which all were beautifully drawnBy S. M ThielCollection of very good

stories. Which all were beautifully drawn. My two favorites is Killer Moth with the weird Batman uniforms and Superman Island. Downside was Sugar's constant putting down of Spike. She came off as mean-spirited. 1 of 1 people found the following review helpful. Fantastic read! Pays tributes to many forgotten but classic ...By mkronck Fantastic read! Pays tributes to many forgotten but classic DC stories, such as Batman's multi-colored costumes or Wonder Woman's forgotten marriage to an alien. Smartly written with wonderful art. Can't recommend enough. Giffen needs to make a volume 2!

THEY'RE TWO OF THE LEGENDS OF TOMORROW TRACKING DOWN THE SUPERHERO SECRETS OF THE PAST! The problem with having a past is that it eventually catches up with you. Especially if you're a superhero. And who do you call when a past indiscretion threatens to become a present-day debacle? Who do you call when yesterday's questionable decision threatens to become today's humiliating headline? Sugar Spike, Private Investigations Metahumans a Specialty! When Batman's armory is raided by a killer foe when a cache of Kryptonian secrets Superman would prefer to stay buried is about to be unearthed when Wonder Woman has to face the most fearsome foe of all: her ex when any A-list hero calls up with a case too sensitive for anyone else to handle, this odd couple of crack investigators can get the job done for a price. Of course, there's the question of whether they'll kiss each other or kill each other before the job is completed if they live that long, that is Comics legend Keith Giffen presents two classic DC characters like you've never seen them before in SUGAR SPIKE, featuring stunning art by Bilquis Evely! Collects the SUGAR SPIKE stories from LEGENDS OF TOMORROW #1-6.
