Brian Buccellato : Suicide Squad Most Wanted: Deadshot before purchasing it in order to gauge whether or not it would be worth my time, and all praised Suicide Squad Most Wanted: Deadshot:

1 of 1 people found the following review helpful. Deadshot hits another solid series By Charlie Griffin Deadshot has always been one of my favorite comics characters around, but he was somewhat mishandled when the New 52 version rolled around. In comes this book: not only is Deadshot re-railed into his former glory, it even uses the New 52 retcons

in an interesting fashion, twisting them back around on themselves. The story is everything you want from a gun-toting sympathetic villain; bold, violent, and often fast-paced. The story does teeter on retelling things we've already seen Floyd go through in earlier runs, but manages to keep things different enough to feel fresh. I would definitely recommend this book to any comic fan, regardless of any previous knowledge of Deadshot. 0 of 0 people found the following review helpful. On point story By Frankie D The book was cool. A nice Deadshot origin and story. Shows his hatred for his mother and father. He relationship with Waller. There mutal dislike for each other but how they work together. Deadshot has to work with a guy that idolizes him and wants to be him. He also has to face off against the Suicide Squad and his dark family issues and the love of his child. A good read if you are a Deadshot fan 1 of 1 people found the following review helpful. A surprisingly good Deadshot mini. By Spidey Better than I expected. What I expected was a cash grab with the movie coming out. What we get is a well told story changing Floyd Lawton's origins (Be warned, it's dark!). We also get a new upstart looking to take down Deadshot and take his place as the world's top hitman. And of course, it's all driven by his need to protect his daughter. Viktor Bogdanovic is quite the talented artist.

One of the stars of this years highly anticipated action blockbuster takes aim at a shocking solo adventure in **SUICIDE SQUAD MOST WANTED: DEADSHOT**, from writer Brian Buccellato (**THE FLASH**) and artist Viktor Bogdanovic (**BATMAN: ARKHAM KNIGHT**) a high-octane thriller that will blow you away! **SHOOT TO THRILL!** Floyd Lawton is the deadliest marksman in the world but there are targets even the legendary mercenary known as Deadshot hasnt been able to hit. As a longtime member of the Suicide Squad, he does the bidding of his ruthless supervisor Amanda Waller, killing whomever she says needs killing before heading back to Belle Reve Penitentiary to reload. And when the Squad saddles him with a new partner, the time to take the safety off has come. Now Deadshots on his most personal mission of all: hes going to kill the parents who made him the man and the murderer he is today. But Floyds far too valuable an asset to let loose, and the Suicide Squad will stop at nothing to put this lone gunman back in their arsenal including threaten the one person he truly cares about. Deadshots about to learn the hard way that when it comes to weapons, theres always a bigger gun

plenty of action. IGN About the Author Brian Buccellato is a writer and illustrator, best known for his work as scribe on **THE FLASH** with cowriter and artist Francis Manapul. He has also written **DETECTIVE COMICS**, **INJUSTICE: YEAR THREE** and **FOREVER EVIL: ROGUES REBELLION** for DC Comics. As a colorist, he's worked for Marvel, DC, Vertigo, Top Cow, Image and Dynamite Entertainment. His recent coloring credits include **ADVENTURE COMICS**, **HELLBLAZER**, **SUPERMAN**, and **THE FLASH**.
