4 of 5 people found the following review helpful. The Dark Knight, Doom Patrol, JLA More!!!By Claude Kane IIIThe first volume kind of surprised me with just how awesome, intriguing down the earth the series was but volume 2 has officially made Ostrander's SS run as one favorite comics of all time. It's clever, surprisingly funny at times ties in the

DC Universe in an exciting new way with a fresh perspective. I already pre-ordered volumes 3 & 4 I would highly recommend anyone even remotely interested in this comic or the upcoming movie to give this series a read ASAP!!!

By BarClayOstrander and McDowell
created the Suicide Squad, peopled with heroes and villains working together -- and you certainly can't trust the villains! Some might consider the artwork dated, but Luke McDowell could tell an excellent story, and his artwork is better than average. The story arc from which the title of the book is taken was one of the best -- and full of surprises. This is why there will soon be a movie with these characters!

Discover John Ostrander's classic series and the origins of the criminal cadre starring in next summer's feature film, *Suicide Squad*! Friends or foes? That is the question that must be answered when Batman and the Justice League learn of the team's existence. The Dark Knight confronts Amanda Waller, which leads to a standoff that could end the *Suicide Squad* forever. While the team is sent to take down the island headquarters of a Colombian drug cartel, Rick Flagg takes an all-new *Suicide Squad* on a deadly mission that sees them go head-to-head with the *Doom Patrol*! Finally, the Squad faces the Justice League in hostile territory and it may not be possible for either side to survive. All of this leads to an extra-dimensional journey to discover who, or what, their teammate *Nightshade* actually is. This collection continues, in chronological order, the stories by series writer John Ostrander, who is joined by guest writers Keith Giffen, J.M. DeMatteis and Paul Kupperberg, and acclaimed artists Luke McDonnell, Bob Lewis and Erik Larsen! *SUICIDE SQUAD: THE NIGHTSHADE ODYSSEY* collects *SUICIDE SQUAD* #9-16, *JUSTICE LEAGUE INTERNATIONAL* #13, and *DOOM PATROL/SUICIDE SQUAD* #1.
