3 of 3 people found the following review helpful. Great funBy Reviewer from TerraI've always enjoyed the character of Supergirl. Here drawn by Jim Mooney, are her earliest adventures when she was a secret assistant to her cousin, superman. All fun, all the time!2 of 2 people found the following review helpful. Five StarsBy Marshall Gardnergreat product!!!!great service!!!!!!

Presented by a team of talented writers and artists such as Jerry Siegel, Jim Mooney, Otto Binder and more is a collection of stories featuring Supergirl at her best in SUPERGIRL: THE SILVER AGE VOL. 1. For many years, Superman believed himself to be the only survivor of his planets destruction, until one day a spacecraft crashed on Earth with a young girl inside a Supergirl from Krypton, possessing all the same powers as the Man of Steel. And this Maid of Might wasnt just any Kryptonian survivor, but Supermans cousin, Kara Zor-El. The story of one of historys greatest female heroes begins here! Collects Supergirls backup stories from ACTION COMICS #252-284.

About the Author Otto Binder's rsum reads like a Who's Who of American Folk Heroes. During his 30-year comics career, the veteran science fiction writer penned the comicbook adventures of Superman, Doc Savage, the Shadow, Captain America, Blackhawk, and most notably Captain Marvel and his supporting cast, the majority of whose Golden Age exploits sprang from Binder's fertile imagination.
