Jeph Loeb : Supergirl Vol. 1: The Girl of Steel before purchasing it in order to gage whether or not it would be worth my time, and all praised Supergirl Vol. 1: The Girl of Steel:

2 of 2 people found the following review helpful. Supergirl (2005)By EdM.This current edition is a deluxe volume collecting the first and second volumes of the mid-2000's series. Issues 1-12. Supergirl is new to the DC universe and proceeds to meet various heroes and teams. She battles against Dark Supergirl, teams up with Power Girl to fight

Ultraman, and learns a secret identity is not for her. The art declines towards the end and the story does have a few plot holes but an overall good volume. 0 of 0 people found the following review helpful. Sweet read By Angelhdz57 Several little stories, I've never gotten around to read super girl. And thanks to justice league unlimited they make power girl the bad was but in this comics you'll find the roles reversed so I'm switching the skirt ;) very enjoyable read and it was thicker than I expected 0 of 0 people found the following review helpful. Worth the \$\$\$ By Customer Great writing and amazing art. The book doesn't start slow at all it fast pacing and has good action. If your a super girl fan this is a must buy trust me.

This now-classic run by Jeph Loeb features the first chapter of Kara Zor-El's triumphant return! When Superman's Kryptonian parents rocketed their infant son to Earth, his aunt and uncle did the same with their young daughter, Kara Zor-El. The two cousins were meant to arrive on Earth together, but instead Kara arrived just a few months ago, after spending decades in space in suspended animation. Now taking the name Supergirl, Kara possesses strength and speed that rivals (or even surpasses) her cousin Superman. As she searches for her role in this new world, she'll cross paths (and trades blows) with the JSA, the Teen Titans and the Outsiders. But while she's facing off against other heroes, Superman's nemesis Lex Luthor has uncovered a truth that could change the Girl of Steel forever! SUPERGIRL VOL. 1: THE GIRL OF STEEL features creators Jeph Loeb, Joe Kelly, Ian Churchill and more. Collects SUPERGIRL #0-10, #12.
