Joe Kelly : Supergirl Vol. 2: Breaking the Chain before purchasing it in order to gage whether or not it would be worth my time, and all praised Supergirl Vol. 2: Breaking the Chain:

Four Stars By JW Appel Amazing! 2 of 3 people found the following review helpful. Inaccurate By dckl Item description inaccurate. I thought for 727 pages for under \$10, just the paper was worth that much. Actually there is 276 pages. It doesn't appear to look any more interesting than the first volume.

Alone and on an unfamiliar planet, Kara Zor-El just wants to make her father proud and all her father asks is that she kill her only living relative Superman! Feeling that she has completely failed at having a life on Earth, Supergirl returns to her Kryptonian roots, as her father's spirit reveals to her her true origin and destiny to destroy the living magnet attracting evil phantoms to Earth: Kal-El. Does Kara have the power or desire to slay her cousin? Or will she betray her father's dying wish? And if that weren't enough, Batgirl wants her dead, newcomer Power Boy wants her affection, someone claiming to be the true Supergirl wants her to quit, and the Legion of Super-Heroes are in town. In SUPERGIRL VOL. 2: BREAKING THE CHAIN, Joe Kelly (JLA, SUPERMAN/BATMAN), Ian Churchill (TEEN TITANS), Al Garza (BATGIRL), Norm Rapmund (THE FLASH) and others tell classic tales of a young woman struggling to find her place in the world. Collects SUPERGIRL #11, #13-22 and a story from DCU INFINITE HOLIDAY SPECIAL!

About the Author Joe Kelly broke into the comics industry in 1995 as the first successful "graduate" of the Stan-Hattan Project, a writing workshop conducted as a joint venture between Marvel Comics and NYU's Department of Dramatic Writing. Joe's flair for dialogue and characterization captured the attention of Marvel editors, not to mention his snappy attire and icy blue eyes that pierce a man's soul with but a glance. Kelly's comics work includes DEADPOOL, JUSTICE LEAGUE ELITE, ACTION COMICS, STEAMPUNK and many other titles. His story "What's So Funny About Truth, Justice and The American Way?" inspired the Warner Bros. Home Video movie Superman Vs. The Elite. He is a member of the group Man of Action, which created the hit animated TV series Ben 10.
