**Michael Green, Mike Johnson** : **Supergirl, Vol. 2: Girl in the World (The New 52)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Supergirl, Vol. 2: Girl in the World (The New 52):

0 of 0 people found the following review helpful. Five StarsBy samanthaMy daughter loves these and it is great for her to have a female superhero who has clothes on! 1 of 1 people found the following review helpful. OkayBy RIt was nice to see some back story of how Kara was sent to earth. Kara made a friend that can speak her language. At the end of

the day, it was a bit of a letdown. 3 of 3 people found the following review helpful. Supergirl rules! By Lovblad  
The return of Supergirl has proven great. She has always been one of my favourites since my teens and she was somewhat too infrequent for me but here her revival has done her great justice and this second book is great both visually and from the storyline.

Unlike her cousin Superman, Supergirl arrived on Earth from her dead home planet of Krypton fully grown, fully powered and totally confused. Unable to speak anything but her native tongue of Kryptonese, unsure of how she arrived on Earth, and distrustful of the now-adult Superman, Supergirl truly is alone in the world. When Kara is quickly befriended by a Scottish punk rocker named Siobhan who can mysteriously speak Kryptonese she's getting more than a best friend out of the deal. She's also getting a new ally and an introduction to the strangest enemy she's ever faced--the supernatural Black Banshee. But what is Siobhan's link to this new, immortal threat? The writing team of Michael Green (Heroes) and Mike Johnson (SUPERMAN/BATMAN), with art by Mahmud Asrar (Dynamo 5) and George Prez (JLA), continue the adventures of the Girl of Steel as she finds her place on a planet that fears her in *Supergirl: Girl in the World* (collecting issues #0, 8-12).

"Most folks are likely to fall for the new girl in town." *USA Today* "A new twist on the mythology." *TV Guide* "The character's voice is so strong I felt like I knew who she was and what kind of world she came from...I want to see where her story takes her." *The Onion AV Club* "Awesome." *MTV Geek* "I really enjoyed everything about this book - it'll appeal to new readers, and the creators have a good handle on what makes the character tick." *Comic Book Resources*  
About the Author Michael Green and Mike Johnson are a writing team, whose previous works include writing for television and comic books. Green and Johnson both contributed to the hit NBC TV series *HEROES*, while Green has written and produced for shows such as *Everwood* and *Smallville*. They both have written extensively for the *SUPERMAN/BATMAN* and *SUPERGIRL*, as a part of DC Comics - The New 52
