Michael Alan Nelson, Mike Johnson : Supergirl Vol. 3: Sanctuary (The New 52) before purchasing it in order to gage whether or not it would be worth my time, and all praised Supergirl Vol. 3: Sanctuary (The New 52):

0 of 0 people found the following review helpful. Just bad. By ChuckAs others mention: The plot jumps around and is filled in with other publications. That aside, what you do get is still pretty bad. Instead of being writing a quality female, teenage character, the writers basically wrote Kara as how they imagined being one would be. Even if you get rid of that, the end is just some out of place slapstick. Supergirl might not be the most flushed out DC character out

there, but she deserved better than this. 0 of 0 people found the following review helpful. it's a fun story but it's got holes due to a lot ...By J. Dawson it's a fun story but it's got holes due to a lot of crossing over with other titles. i really like what i'm reading within it and wish they'd keep the story focused here more than basically asking the reader to bounce around. it's not hard to keep up even if you don't feel like getting the crossovers (i didn't get them). 0 of 0 people found the following review helpful. Quick delivery beautiful artwork from what I can tell By Adelphee Quick delivery beautiful artwork from what I can tell. It's a gift I'll have to see if they love it too!

Completing the H'EL ON EARTH crossover event that had made its way through Superman, Superboy and finally Supergirl. When a mysterious Kryptonian arrives on Earth and convinces Kara that he intends on returning them to Krypton, prior to its destruction, in an effort to save the planet. When presented with the opportunity to return home, the young and sometimes foolish Kara fails to see H'el's whole plan, a plan that will leave the Earth in ruins. Wonder Woman and The Flash must face down Kara in an effort to make her see the truth and save Earth before it's too late! Collects issues #13-20.

About the Author Michael Green and Mike Johnson are a writing team, whose previous works include writing for television and comic books. Green and Johnson both contributed to the hit NBC TV series HEROES, while Green has written and produced for shows such as Everwood and Smallville. They both have written extensively for the SUPERMAN/BATMAN series from DC Comics. Their current project is SUPERGIRL, as a part of DC Comics The New 52
