Tom Taylor : Superior Iron Man Volume 1: Infamous before purchasing it in order to gage whether or not it would be worth my time, and all praised Superior Iron Man Volume 1: Infamous:

5 of 5 people found the following review helpful. Really funBy M. HerzogWow, I'm surprised to see so many negative reviews, as I found this volume a really great read. The concept is, if you haven't already heard through about 10,000 news reports, Iron Man is now "evil." But, its not that straight forward. See, in Axis, his personality flipped, not just made him evil. Unfortunately, Iron Man was not the most noble of heroes before, so he's not the worst of bad guys

now. His pursuit of money and greed by feeding of peoples desire to be beautiful I thought was rather entertaining. And seeing him use his tech genius in new and more modern ways was fairly interesting as well. If I had any complaint, it would be having daredevil guest star so much, so early in the series. It tended to take away from the enjoyment of this version of Iron Man (kind of like how peter parker was a ghost in the head of the superior spider-man for the first few issues of the series. Otherwise, I loved the series and can't wait for volume 2. Also, please note, me giving it 5 stars does not mean I'm saying this is a perfect comic, but rather reflects my enjoyment of the series (which I loved).1 of 1 people found the following review helpful. InfamousBy NemoGreat story. Contrary to popular opinion I don't really think Tony Stark comes off as a villain in this. Even though he does some very questionable things he still seems to believe he is doing them for the greater good. Tom Taylor makes Tony Stark resemble the Iron Man from the pages of the Ultimates or even the Tony we have seen in the Iron Man movies more than we have seen any time before. Another great thing about this volume is seeing Daredevil. Matt Murdock definitely seems a lot more like his old self than the over the top happy character you see in the pages of Mark Waid's Daredevil. Putting Daredevil vs Iron Man together was a great idea. All together there is a very great story here with fantastic art. While it might be a bit confusing to those that have not read Axis, I would still recommend this to any fan of Iron Man or Daredevil.0 of 0 people found the following review helpful. The art isn't all that great either. With \$20 I could have gotten something ...By Medrano55The story seems to have alot of potential but it takes a whole to develop. The art isn't all that great either. With \$20 I could have gotten something more fulfilling.

How much would you pay for perfection? Beauty? Immortality? Tony Stark knows, and he's ready to give it to you in SUPERIOR IRON MAN! But at a terrible price. Spinning out of Avengers X-Men: AXIS, the old Tony Stark is back, only this time he's SUPERIOR! More stylish, more confident, and more cunning than ever before. And he's ready to lead you into the future! San Francisco is about to become the prototype for his new world concept. The first step? Release Extremis upon the entire city! Only Daredevil isn't down with Stark's new vision of the future. Does the Man Without Fear have a place in the city of tomorrow? A bold new direction for the Armored Avenger begins from the creative team of Tom Taylor (Injustice: Gods Among Us, Earth 2) and Yildray Cinar (Supergirl)!COLLECTING: SUPERIOR IRON MAN 1-5

About the AuthorTom Taylor (born 29 November 1978) is an award-winning and New York Times bestselling comic book author, playwright and screenwriter. He is the creator of The Deep: Here Be Dragons, The Example and Rombies and is well known for his work on the DC Comics series Injustice: Gods Among Us and Earth-Two as well as his many Star Wars works.
