**John Marc DeMatteis : Superman: Speeding Bullets (Elseworlds)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Superman: Speeding Bullets (Elseworlds):

Superman: Speeding Bullets is written by J.M. DeMatteis with stunning art by Eduardo Barreto. In this story, baby Kal-El's rocket is found by Thomas and Martha Wayne, who name the child Bruce and raise him until they are brutally murdered before the eyes of the young boy. As young Bruce's tear-filled eyes stare at the murderer, beams suddenly blast from those eyes, incinerating the killer. Bruce becomes a traumatized recluse, hiding his powers and abilities even from himself, until burglars break into Wayne Manor and the adult Bruce is forced to confront them and himself. Bruce becomes a super-powered Batman whose mask fully covers his face.
