New 52 Superman, We Hardly Knew Ye... By AWOLman For the last 6 years, the New 52 Superman has been something of an elephant in the room for DC comics fans. We didn't hate him, but he just didn't totally fit. There was nothing objectively wrong with him mind you. On paper, nothing, save his relationship with Lois Lane, seemed to be missing. Powers? Check. Spicurl? Check. Saves people? Check. Still, for

most readers he was never really great, just various shades of "meh" ranging from acceptably Superman-ish to #NotmySuperman. However, wherever you may fall on this spectrum, if you are a Superman fan who has followed the N52 to any degree, you should read this book. This is a very touching and well written story. Without feeling contrived, or unoriginal, this volume functions as a proper send off to the N52 Superman that does his character justice, showing his selflessness and making him seem more like superman than ever before. This story gives great final moments between him and most of those closest to him and sets the stage for his replacement without feeling like they are rushing him out the proverbial door. 0 of 0 people found the following review helpful. A prelude to DC UNIVERSE: REBIRTH is here in SUPERMAN: THE FINAL DAYS OF SUPERMAN! Supermans body is failing him. He... is dying. With his final days upon him, the Man of Steel reaches out to his loved ones and most trusted allies to say his goodbyes. Yet while he does so, the world is greeted by new threats a dangerous being alive with fire, who insists to Lois Lane and anyone else he meets that he is the one true Superman, and a black-clad man whose appearance and powers mirror those of Superman himself. Alongside Batman, Wonder Woman and Supergirl, the Man of Steel must fight one final battle seemingly against himself. Will Superman die trying to save his adoptive world and those he loves most? THE FINAL DAYS OF SUPERMAN marks the beginning of an era, written by Peter J. Tomasi (SUPERMAN) and illustrated by artists Mikel Jann (BATMAN), Doug Mahnke (SUPERMAN), Paul Pelletier (AQUAMAN), Dale Eaglesham (SECRET SIX), Scot Eaton (THE NEW 52: FUTURES END), Ed Benes (JUSTICE LEAGUE OF AMERICA) and Jorge Jimnez (EARTH 2: SOCIETY). Collects SUPERMAN #51-52, ACTION COMICS #51-52, BATMAN/SUPERMAN #31-32 and SUPERMAN/WONDER WOMAN #28-29.
