POWERLESS, EXPOSED BUT STILL THE WORLDS GREATEST HERO! Superman is going through some changes. First, theres his new solar flare power, which releases tremendous amounts of energy but leaves him functionally humanfragile, vulnerable, prone to hangoversfor 24 hours. But an even bigger change is coming. A new company called Hordr has sprung up, and its business is secrets. If you have one that you want to keep hidden, Hordr can control youand no one has a bigger secret than Clark Kent. Now, Hordr is threatening to expose Clarks alter ego unless he does everything they command. Will Superman play into the hands of blackmailers to keep his loved ones out of danger? And if the truth that Superman has been hiding is exposed, will it set him freeor ruin his life? A new era for the Man of Steel begins herecrafted by National Book Award nominated writer Gene Luen Yang (American Born Chinese) and legendary artists John Romita, Jr. (Kick-Ass, The Amazing Spider-Man) and Klaus Janson (BATMAN: THE DARK KNIGHT RETURNS).
