**Peter J. Tomasi, Patrick Gleason** : **Superman Vol. 2: Trials of the Super Son (Rebirth)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Superman Vol. 2: Trials of the Super Son (Rebirth):

0 of 0 people found the following review helpful. Superman still going strongBy Charlotte J.This issue of Superman Rebirth contains multiple stories about Superman and those around him. The first story follows Superman as he helps

the Justice League and spends some time with his family. The second story is an odd one where asuperman and his son, Jon, are teleported to Dinosaur Island and must find a way to return home. The third story is the main draw for this volume as it is the first meeting between him and Damian Wayne, or the current Robin. Damian does not trust Jon and tries to interrogate him. Batman and Superman intervene, however, and make Jon and Damian take a test, in order to improve their cooperation. The relationship between Jon and Damian is an interesting one, and they do share a good chemistry. Damian is arrogant and entitled while Jon is more laid back and humble. Their initial bickering is also funny. Despite their rocky partnership, when their fathers are in trouble they leap into action. The final story follows Frankenstein (Yes, Frankenstein. He had his own New 52 run) hunting down some supernatural being with the help of his estranged bride and a reluctant Superman. This story feels more like a placeholder before the next arc starts. This is another strong book for Superman Rebirth. Superman may have one of the best current runs out of all the other Rebirth lines. This is a must read if you're a fan of Superman or comics in general. 3 of 3 people found the following review helpful. Great Stories By JJMI enjoyed the family aspects of Superman, and enjoyed the Batman crossover with the 'boot camp' portion of this volume. But I didn't really enjoy the Frankenstein portion, just not my cup of tea. People should definitely check out the rebirth if they haven't and the Superman comics as well (coming from a Batman fan). 0 of 0 people found the following review helpful. The Super Sons Begin By Ryan Read Continuing the adventures of Super Family, Jon Kent meets the Son of Batman, the current Robin, Damian Wayne. Robin and Superboy could be the next generation of the World's Finest... if they don't kill each other first. I love it! The Super Sons begin and if you aren't laughing you are cheering for both Jon and Damian. However, it's the final story that establishes Lois Lane in her new job that is truly amazing. Bringing such a human story with the Frankenstein Monster, but still being a Superman story.

One of the breakout hits of DC Rebirth continues with SUPERMAN VOL. 2: TRIALS OF THE SUPER SON! After fleeing the destruction of his universe and beginning a new life on a similar yet strangely different Earth, Superman has reclaimed his title as the most powerful hero on the planet. At the same time, he and his wife, Lois Lane, have begun helping their son, Jonathan, to harness his own emerging abilities. For this extraordinary family, there's no such thing as down time. And that's probably for the best, given the company that they keep. Sudden trips to Dinosaur Island, or chance encounters with Frankenstein and his black-hearted bride, for example, are just business as usual for the Man and Boy of Steel. A far greater challenge, however, is the the Dark Knight Detectives newfound forensic interest in these strange visitors from another world and Superboys potentially explosive rivalry with Robin, the Batmans own offspring. The all-new, never-ending battle launched in DC's blockbuster REBIRTH event continues in SUPERMAN VOL. 2: TRIALS OF THE SUPER SON, featuring the acclaimed creative team of Peter J. Tomasi, Patrick Gleason, Doug Mahnke, Jaime Mendoza, Mick Gray and more! Collects issues #7-13.

Gorgeous spectacle is an undeniable part of SUPERMAN's appeal, but the family dynamics are what make it such an engaging read. A.V. Club/The Onion Peter Tomasi and Patrick Gleason seem to be creating something special with this book. Nerdist SUPERMAN is head and shoulders above the rest. Newsarama A series that's worn its heart on its sleeve and made you fall in love with this version of the Superman Family. IGN About the Author Peter J. Tomasi is a New York Times best-selling author known for his current work on SUPERMAN and previous projects BATMAN AND ROBIN, SUPERMAN/WONDER WOMAN, BATMAN - DETECTIVE COMICS, AND BATMAN ARKHAM KNIGHT, along with other commercially successful books, GREEN LANTERN CORPS, BRIGHTEST DAY, EMERALD WARRIORS, AND NIGHTWING. Over the course of his career with DC Comics - more than two decades of hit books - Peter served as a group editor ushering in new eras for BATMAN, GREEN LANTERN, AND JSA along with special projects like KINGDOM COME. Peter also is the author of the creator owned books Light Brigade (Dark Horse) with artist Peter Snejbjerg, The Mighty (Dark Horse) with Keith Champagne and artists Peter Snejbjerg and Chris Samnee, and the critically acclaimed horror/drama series, House of Penance (Dark Horse) with artist Ian Bertram.
