I recommend to all DC fans.0 of 0 people found the following review helpful. Amazing ArtworkBy DaveydoH I was a little hesitant on buying this volume after I read Vol. 1 and 2, but I am glad I made this purchase because the artwork was MUCH BETTER and the story was very fun to read too. This volume became my favorite

until I read Vol. 4 which was better, but I will have to say I did like the artwork in this one better than 1, 2, and 4. If you've already bought Vol. 1 and 2, and thought it was a little boring, have no fear this one makes up for it. 0 of 0 people found the following review helpful. He'l on Earth cross over By Harjinder S. Parmar This is about the He'l on Earth cross over where Superman teams up with Superboy and the justice league to stop Supergirl and the ridiculously overpowered (and his powers are unexplained) He'l and his plan to go back in time to save Krypton.

H'El has come to Earth! When a mysterious ghost from Krypton's past comes to Metropolis in hopes of finding the lost planet's last son, his arrival comes with disastrous consequences for not just Superman, but Superboy and Supergirl. H'El has decided that Earth is the place to resurrect Krypton, but at the price of everyone's life on the planet! It's all out war between this villain, Superman, the Justice League, Superboy and Supergirl, but whose side is everyone on? The newest epic begins here in SUPERMAN VOL. 3, written by Scott Lobdell with stunning visuals by Kenneth Rocafort. Collects SUPERMAN #0, #13-19.
