Nice romance from an old friendshipBy CustomerThis is the beginning of a great story; a mix of friendship and romance, with a cluster of diverse characters: not just one couple. I hope they will keep bringing out more volumes. I have it all in Japanese but would be glad to support an official English release.0 of 0 people found the following review helpful. Better than the animeBy Ivan Van LaninghamOne of the yuri classics. Better than the anime, which is itself a classic. It's terrific to see an English, licensed, translation.11 of 11 people found the following review helpful. Great manga, inexcusable ebook failureBy jerry grI bought this on

kindle after reading through all of Shimura's amazing Wandering Son series, and it's the first bad kindle manga release I've dealt with on . The pages of the manga are tiny images inside the 'pages' like on a regular kindle book, only they don't even get larger when you tap on them. It's practically unreadable like this. While I recommend this manga wholeheartedly, I advise steering clear of this release.
