**Sakura Tsukuba : Sweet Rein, Vol. 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sweet Rein, Vol. 1:

4 of 4 people found the following review helpful. Adorable Holiday series!By Jamie E.This was such a cute book. I actually first read this right before Christmas and it was perfect timing. After all, reindeers are in season in December!Kurumi is your ordinary teenage girl who brushes against a boy who suddenly declares that she is his Santa Claus and he her reindeer! Can you imagine her reaction? What follows is a cute hilarity as she learns to accept her new duty and bond. She is literary bonded to the reindeer, Kaito. By an invisible rein only Santas and reindeer can

see. I love Kaito! He has so much energy and is adorable with Kurumi. He is so patient with her. Lucky for him, Kurumi is a sweet girl. There is a slight possibility of future romance in the air but everything in this volume is just innocent sweetness. This would have been perfect as even a one-shot but this is just volume 1 of a series. I am curious to see where it goes. The art is lovely, adorable and impossible to resist! 1 of 1 people found the following review helpful. Very cute. By Jude~3.5-4/5 [More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.] This series is about a Santa Claus and her Reindeer. You see, a reindeer, able to go back and forth between human and animal, is destined to work every Christmas with their very own Santa Claus, if they ever find them. And they know because, as soon as they touch, a ribbon forms between the two, attaching them to each other. No one else can see it, and it doesn't get in the way, but it's there, can be pulled on, and their bond lets the reindeer always know when Santa needs them. Kurumi bumps into a boy one day, Kaito, and from there, Kaito follows her around, insisting she's his Santa Claus. She's reluctant, but she goes along with it. Most reindeer only meet up during Christmas, don't see each other during the rest of the year, but Kaito stays around, and he insists that he loves Kurumi, who he calls Master. I wasn't really sure what to expect when I started this, as I'd really only browsed the synopsis. But it was really cute, very sweet. Only the first chapter is on Christmas, the other two are during the summer, which I suppose means that it is not strictly a Christmas story, but has a very apparent Christmas undertone. I like Kurumi, she seems like a nice girl, a little lonely because her father, her only real relative, is always away working. I love Kaito. He's such a sweetheart, and his devotion, adoration, and general happiness for Kurumi is so sweet. Kaito has a rather big family, most of which are also reindeers, and I really like them, too. It seems like it'll be good for Kurumi, to be around such a close, happy family, and I'm hoping to get to know each member better in future volumes. This was a very sweet beginning to the series. The romance is apparent, although Kurumi is reluctant, and they're going to have to work through some problems. I'm looking forward to that developing, though. I'm also looking forward to more family time, with both Kurumi's and Kaito's family. There was also a short story at the end, featuring a vampire and a little girl. It was cute, very sweet, although left me a little confused as to what the two's relationship would be like later in their life. Also, it seems like there's going to be a rather long wait before the next volume comes out? Like, not until April? That's weird, right? That seems like a really long time, when it's already complete in Japan. Maybe there's more to it than I know of, though? A review copy was provided by the publisher, VIZ Media, and Erik Jansen from MediaLab PR. Thank you so, so much! 0 of 0 people found the following review helpful. Really Cute. By Nicola Mansfield I honestly did not think this was going to be my type of thing at all. The plot really sounded lame to me but am I ever surprised to have enjoyed this as much as I did! It is such a cute story. Shojo is not my cup of tea, but Sweet Rein manages to be cute, sweet and romantic without all the "squee" and usual annoying banter I don't like about this genre. A genuine nice book, with lovable characters and such a cute, feel-good plot. After three chapters the book ends with a one-shot story about a vampire whose little daughter arrives at his doorstep, "Sweet Bite Mark", turned out to be a lovely story also and I'm quite impressed with this book. Very light-hearted, but sincere and adorable. Perfect Christmas story for a Christmas gift.

A magical romance from the creator of *Land of the Blindfolded*. Sad at the thought of spending Christmas alone, Kurumi Sagara goes out for a walk. While she's crossing the street, a boy bumps into her, and a reindeer suddenly appears that binds them together. The overjoyed boy tells her she's his master and that she's a Santa Claus. Kurumi dismisses him as a crazy person, but then he transforms into a reindeer?! Reads R to L (Japanese Style) for teen audiences.

About the Author Sakura Tsukuba is from Saitama Prefecture. In 1994 she debuted with *Hikari Nodokeki Haru no Hi ni*, a title which won the LaLa Manga Grand Prix Kasaku Award. Her other works include *Land of the Blindfolded* (recipient of the Hakusensha Athena Shinjin Taisho award) and *Penguin Revolution*.
