Jeff Lemire : Sweet Tooth The Deluxe Edition Book One before purchasing it in order to gage whether or not it would be worth my time, and all praised Sweet Tooth The Deluxe Edition Book One:

2 of 2 people found the following review helpful. I usually don't like post-apocalyptic stories...By Rachel...but I've never seen one like this before! Maybe it's just zombie apocalypse stories I don't like. There are no zombies here. Instead a sickness is wiping out humanity and all children born after the sickness are some kind of animal-human

hybrid. It's a bizarre combination but creates a fantastic and unique story. You follow Gus, a boy with antlers and the first hybrid. He's only 9 but grows up real fast after his dad dies and he's left to fend for himself in a world that doesn't understand and fears the hybrids. My only criticism is the characters are a little easy to predict and story twists ended up not being much of a surprise. But at the same time I couldn't see the larger picture of how it would all turn out in the end. And really, even if it's a little predictable, it's still a good ride. I'm also starting to realize that with Jeff Lemire's work it dabbles around the idea of scientific anomalies but never gets wrapped up in trying to explain everything. It doesn't bother me with his work because it's about the character interactions rather focusing on the cause of the scenario. Definitely recommend to anyone interested in a different type of apocalypse where you can get an all too real peek at what human society can look like in the aftermath of a giant disaster. 0 of 0 people found the following review helpful. I didn't like the art it had some good panels but overall ...By Yusuf Kudsi I didn't like the art it had some good panels but overall I didn't like the art, and the story was okey not great not bad something in the middle, maybe I found it okey because I had very high expectation maybe because it is not my type. 0 of 0 people found the following review helpful. So creative, so much heart By jeremykeijo This thing just fires on so many levels... I kinda don't know what to say other than just buy it. There were some parts in volume three that nearly brought me to tears. Given, I'm partial to apocalyptic fiction, especially when the hook is as "out of the box" as this one... but this book is so much more than that. You can tell the creator really put his heart into it. Just amazing.

Kids like Gus have a price on their heads. Seven years ago, the Affliction raged like a forest fire, killing billions. The only children born since are part of a new breed of human-animal hybrids. Gus is one of these children, a boy with a sweet soul, a sweeter tooth-and the features of a deer. When vicious hunters descend on his isolated forest home, a mysterious and violent man called Jepperd rescues Gus. The hulking drifter promises to lead Gus to The Preserve, a fabled safe haven for hybrid children. As the two cross this dangerous new American frontier, will Jepperd corrupt the boy he's nicknamed Sweet Tooth, or will Gus's heart change Jepperd? Written and illustrated by spectacular talent Jeff Lemire, SWEET TOOTH is a haunting tale of survival in post-apocalyptic America of friendships formed in tragedy, and the good and bad in humankind. Collects SWEET TOOTH #1-12, as well as never-before-seen sketches and an introduction by celebrated actor Michael Sheen (Masters of Sex, Frost/Nixon).

"Like a Coen brothers road-trip drama, SWEET TOOTH...is a fantastic post-apocalyptic comic." --AM NEW YORK "SWEET TOOTH is a grabber from the get-go...Lemire retains his gift for imbuing ordinary moments with a sense of wonder." --THE ONION "Jeff Lemire's SWEET TOOTH is as heartbreakingly elegant as it is wholly original. One of the best comics I've ever read." --Damon Lindelof, co-creator and executive producer of "Lost" "I would crawl over broken glass to read this." --Jason Aaron (SCALPED) About the Author Award-winning Canadian cartoonist Jeff Lemire is the creator of the acclaimed monthly comic book series SWEET TOOTH published by DC/Vertigo and the award winning graphic novel ESSEX COUNTY published by Top Shelf. He also has written GREEN ARROW, JUSTICE LEAGUE UNITED, JUSTICE LEAGUE DARK, ANIMAL MAN, FRANKENSTEIN AGENT OF S.H.A.D.E. and SUPERBOY for DC Comics. In 2008 Jeff won the Schuster Award for Best Canadian Cartoonist, and The Doug Wright Award for Best Emerging Talent. He also won the American Library Association's prestigious Alex Award, recognizing books for adults with specific teen appeal. In 2010 Essex County was named as one of the five Essential Canadian Novels of the Decade. In 2013 Lemire published the graphic novel The Underwater Welder (Top Shelf). He currently lives and works in Toronto with his wife and son.
