Johnny Ryan : Take a Joke (Angry Youth Comix) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Take a Joke (Angry Youth Comix):

0 of 0 people found the following review helpful. Pointy Politically Incorrect Humor By Paul Schmitt This 160 page (lists it at 128) color AND black and white collection also features some of Ryan's more bizarre ventures into free speech including: talking condiments, sci-fi ass assassination (it exists), time machines, self-reflecting satire and even straight-out horror - which seems like it has always been a pretty strong component of his work. Volume #3 of the notorious Angry Youth Comix collection serves up some of the most pointedly politically incorrect strips from Ryan's work - including the infamous "Rape Tank" bit from Angry Youth Comix Vol. 2 #14. This volume features Loady,

Sinus, Waqi Iraqi and the whole demented gang in stronger story lines than in previous books. 0 of 0 people found the following review helpful. brilliant! By Juan Pablo Ramirez I'm very happy with this book. I just got this in the mail today, I'm from Colombia, Johnny Ryan is a comedy genius! can't stop laughin. It's a great read while you're in the metro or the bus. I highly recommend it. Actually you can pick any Johnny Ryan book and it's going to be awesome. 0 of 0 people found the following review helpful. Johnny Ryan is a comic genius By Harry Russo I love Johnny Ryan's Angry Youth Comix series. He is a really funny artist. I'm not really a huge fan of the prison pit direction he is headed though. I like my comics funny.

Comics that make South Park look like Teletubbies! Johnny Ryan's transgressive masterpiece Prison Pit has been the talk of alt-comics circles for the past year since its debut in the summer of 2009. But before Prison Pit, Ryan garnered a considerable following via his one-man humor anthology (which doubled as a one-man War Against Political Correctness) Angry Youth Comix. Take a Joke collects many of the best stories from this inimitable series as well as many strips created for the wildly-popular Vice magazine, to which Ryan has contributed for years. Unlike Ryan's previous collections, which focused on very short stories, Take a Joke spotlights several of the artist's longest humor pieces to date, notably: Graveyard Goofs, in which Ryan's hapless antiheroes Sinus O'Gynus and Loady McGee exhume the corpse of the recently-deceased Santa Claus as part of a Top Secret experiment, fantasize an orgy with a collection of anthropomorphic condiment bottles (resulting in an unwanted pregnancy), and end up in Hell; Boobs Pooters Jokepocalypse, starring a coprophiliac version of Godzilla who destroys the world with hilarious jokes and crazy pranks; and The World's Funniest Joke, a 24-page masterpiece that makes The Aristocrats look like a Nora Ephron film. All this plus Cheeseburger Chase, Omletta DuPont, and The Day The New Yorker Came to Town! 128 pages of color and black-and-white comics

There aren't many artists in any field who can match Ryan for sheer surreal creativity. His longer strips suggest a filthy hybrid of the Marx Bros. and Monty Python... Ryan's work is smart, crammed with ideas, and so funny it will melt your retinas. - Chicago Reader... [T]he adventures start at an outrageousness level that's over-the-top and go north of there, until they climb higher, then scale a wall, then take an elevator, then an escalator, and finally jump real high. They never, ever come down. - Rod Lott, Bookgasm Ryan brings his mixture of scatology, sex, and Billingsgate to an acme of noxious hilarity... Vile beyond all credence, this stuff reduces its fans to teary, dribbling idiocy, others to nauseated indignation. If you can't stand Tony Millionaire (Maakies) or the raunchiest of R. Crumb, you'll hate it. High praise, indeed! - Ray Olson, Booklist Johnny Ryan is a very funny man. - Tom Spurgeon, The Comics Reporter About the Author Johnny Ryan was born in Boston, MA, and lives in Los Angeles, CA. He is the co-creator and co-executive producer of the Nickelodeon TV series Pig Boat Banana Cricket.
