Kelly Rae Roberts : Taking Flight: Inspiration And Techniques To Give Your Creative Spirit Wings before purchasing it in order to gauge whether or not it would be worth my time, and all praised Taking Flight: Inspiration And Techniques To Give Your Creative Spirit Wings:

2 of 2 people found the following review helpful. Lovely Artwork Inspirational Instruction By Kathy M. from Stockton, CA. Beautiful book, but didn't expect such detailed writing instructions. Interesting book with plenty of artwork! Thank you Seller. 6 of 7 people found the following review helpful. Growing My Creative Wings By Marion This book is one of the first art/craft books I've bought that's everything it's purported to be. The art inside is beautiful and the instructions for each project are easy to understand and come with lists of materials for each project. The instructions are gorgeously, carefully illustrated and easy to understand, whether you're a novice or an

experienced collage artist. (Garbled instructions is a problem I've had with other craft books). I love the fabulous page of quotes at the end of each chapter and the journal page, winged thoughts. This book is a terrific guide for anyone wanting to expand their creativity or learn some new art techniques. The creative resources at the back of the book are quite helpful and thorough, including websites, supply sources, art retreats and crafty magazines. If you're looking for a book that will help you grow your creative wings, then this is the one for you. You'll be taking flight and fearlessly jumping off slippery, painted cliffs before you know it!! 4 of 5 people found the following review helpful. Beautiful and inspiring
By Karin Norgard
It is difficult not to just echo other reviewers, but this is truly a beautiful and inspiring book. I actually purchased this book for my sister (based on the reviews), as I am not an artist or even artistically inclined. But I ended up reading this book cover to cover before she even started it. Each chapter offers creative inspiration for many areas of life. I approached the thoughts in this book as a writer and dancer and found her words of wisdom to be equally applicable to my areas of creativity. The chapters are short and simple, meant for reflection and meditation over time. She also offers quotes and pages for journaling answers to questions that capture the concepts of each chapter. Though I am not an artist, I love collages and have actually been inspired to try some of her exercises. I also love the design of the book as well as her works which are featured throughout. Just a beautiful book to look through and read again often for inspiration. I am ordering my own copy for sure.

Stretch Your Wings, Learn to Soar, Take Flight
In Taking Flight, you'll find overflowing inspiration--complete with a kindred spirit in author and mixed-media artist Kelly Rae Roberts. Join her on a fearless journey into the heart of creativity as you test your wings and learn to find the sacred in the ordinary, honor your memories, speak your truth and wrap yourself in the arms of community. Along the way you'll be inspired by:
Step-by-step techniques--learn the most-loved mixed-media methods of the author and seven talented contributing artists, and combine them in fresh and unexpected ways.
Thought-provoking prompts and quotes--along with encouraging stories, insights and gentle guidance for finding your bliss, whatever your art or craft.
Plenty of eye-candy--pages and pages of the author's endearing artwork, along with the varied works of the contributors.
Of course, learning to fly isn't entirely a step-by-step process--sooner or later, you just need to take a deep breath and spread your wings. With Taking Flight as your guide, there's no doubt that when you do, your creativity will soar.

About the Author
Kelly Rae Roberts is a mixed-media artist who neglected her creative dreams until she was 30 years old. Once she began to listen and nurture her creative voice, her life exploded with a joy she hadn't known before. She's had several articles published in Cloth Paper Scissors magazine and has been featured in various mixed-media books by her peers. Her paintings are collected worldwide and she is consistently accepted to show at juried art festivals around the country. Recently, she signed on with Brush Dance Publishing and DEMDACO for long-term licensing agreements that will showcase her work on cards, journals, magnets, calendars and wall art reproductions in stores nationwide. Learn more about her at www.kellyraeroberts.com.
