**Michael Kupperman : Tales Designed to Thrizzle #3** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tales Designed to Thrizzle #3:

by Michael Kupperman The critics agree! Tales Designed To Thrizzle is the smash hit humor title of the decade! For those of you who just can't get enough, the third issue is upon you! Featuring devil girls and their Owls! Pagus! Snake'n'Bacon! The Mysterious Avenger! A history of porno coloring books! Romance photocomics! And Dick Crazy's greatest foes!
