Michael Kupperman : Tales Designed to Thrizzle #4 before purchasing it in order to gage whether or not it would be worth my time, and all praised Tales Designed to Thrizzle #4:

by Michael Kupperman The eagerly anticipated fourth volume of Thrizzle does something no comic magazine has ever done before - it helps your family organize its entire day! Every page is dedicated to a half-hour of an average 16-hour cycle, allowing it to compliment and entertain along the way with Pagus, Twain and Einstein, The Scaredy Kids,

and Jungle Princess!
