I highly recommend picking up this book if you're a Tank Girl fan. Hell, even if you're not. Book one and two are perfect introductions to Tank Girl, a crazy powerful depiction of one of the strongest women in comic books, period.Also, my item arrived quickly, packaged perfectly, and came at an excellent price.0 of 0 people found the following review helpful. Featuring rarely seen material from Jamie Hewlett and presented for the first time ever, in chronological order. Warning: Adults only!

"Here in these newly minted Tank Girl editions stands Hewletts art as it was originally presented. Raw, powerful, and totally screwed-up bonkers. Its beautiful black and white cartooning at its best and its one of the biggest reasons I fell in love with this book." - Ain't It Cool NewsAbout the AuthorAlan Martin is the co-creator of Tank Girl (along with artist Jamie Hewlett), and writer of the first three Tank Girl graphic novels. He is also the writer of Armadillo!, a Tank Girl prose novel (also available from Titan Books).Jamie Hewlett is perhaps has worked on a wide variety of comics projects, including Fireball and 2000 ADs Hewligans Haircut,visual genius behind virtual pop group Gorillaz, soon to get their own show on MTV UK.
