Jacques Tardi, Jean-Pierre Verney : Tardi's WWI: It Was The War Of The Trenches/Goddamn This War Gift Box Set before purchasing it in order to gage whether or not it would be worth my time, and all praised Tardi's WWI: It Was The War Of The Trenches/Goddamn This War Gift Box Set:

0 of 0 people found the following review helpful. A Magnificent Work. A profound document of our sad human history.By Captain SardonicusTardi's book is an astounding accomplishment. His work moved me deeply, and taught me more about WWI than another other single book I've read. (I realize it's a two-volume set, but they are companion pieces, to me.) Even if you have no intetest in WWI, that ghastly futile human enterprise, Tardi will no doubt move you as deeply as he moved me. And will probably launch in you a powerful desire to learn more about the War of the Trenches, as it did me.2 of 2 people found the following review helpful. Five StarsBy CustomerYou can feel the pain and almost feel it.4 of 5 people found the following review helpful. Brutal, frank, actual. Captures the dark humor ...By James A. ReesBrutal, frank, actual. Captures the dark humor of the damned.

To commemorate WWI's 100th anniversary, Fantagraphics is collecting two of award-winner Tardi's WWI graphic novels in a box set. Jacques Tardi is responsible for two acknowledged graphic novel masterpieces about World War I: It Was the War of the Trenches and Goddamn This War! To honor the 100th anniversary in 2014 of WWI,

Fantagraphics is proud to release a two-volume boxed set collecting these two perennial classics. The first book, *It Was the War of the Trenches*, focuses on the day to day of the grunts in the trenches, bringing that existence alive as no one has before or since with some of his most stunning artwork. His second WWI masterwork, *Goddamn This War!*, is told with a sustained sense of outrage, pitch-black gallows humor, and impeccably scrupulous historical exactitude, in masterful full color. Partial color

Tardi's WWI brings together the great French cartoonists two incredible masterpieces of the first war... - Rachel Cooke, *The Guardian*...*It Was the War of the Trenches*... is one of the most passionately bleak works in the history of comics. Tardi is unremitting in his focus on the small, human details of the catastrophe ... *Goddamn This War!*... bring[s] a surprising beauty to the horrors it depicts. - Gabriel Winslow-Yost, *The New York Times* About the Author Jacques Tardi is a pioneering European cartoonist. His *Adele Blanc-Sec* series was adapted into a feature by Luc Besson, and he was behind the recent animated film *April and the Extraordinary World*. His comics are award winning (including the U.S.'s Eisners). He lives in Paris with his wife, the singer Dominique Grange, and their cats.
