Perfect ERB Pastiche!By TimmarionGreat story and a marvel to see how Tom Yeates incorporated old logos and designs from old paperbacks and hardbacks that previously featured novels by Edgar Rice Burroughs. This is not an adaptation but Yeates' own story and fits into the canon perfectly. Highly recommended for all ERB fans.1 of 1 people found the following review helpful. I love this modern take on

TarzanBy samaritanxCollects all the issues from the Malibu comics mini series. I love this modern take on Tarzan, which not only takes its cues from the original material by Edgar Rice Burroughs, but from Phillip Jose Farmer as well. Thomas Yeates' artwork is outstanding.0 of 0 people found the following review helpful. Good Tarzan fan materialBy Lindsay PerrinThis booklet is quite a good Tarzan tale and fans should seek it out.

The ageless couple, Tarzan and his beautiful wife Jane, have been living in America, fighting the illegal ivory trade to stop the slaughter of elephants...but a they're soon drawn back to Africa, entangled in a dangerous web that threatens their long lives! Beginning in California and climaxing in a mythical jungle utopia, Thomas Yeates's Tarzan: The Beckoning is an action-packed supernatural saga, collected here in its entirety for the first time.

About the AuthorThomas Yeates is an American comic book and comic strip artist best known for illustrating the comic strips Prince Valiant and Zorro as well as work on characters created by Edgar Rice Burroughs. The author lives in Jenner CA.
