If you haven't read transit and eddy current you might want to pick those up too.

From one of the most critically acclaimed graphic novelists of our time, Ted McKeever, comes *Metropol*, an epic tale of good versus evil, set against a modern day industrial landscape. An apocalyptic work in which non-entity Jasper Notochord becomes inadvertently involved in a surreal war between armored angels and mutated demons. This volume features all 12 issues of *Metropol*, the 3-issue epilogue *Metropol A.D.*, all the original covers, plus unused art, and a slew of extras, all collected under one cover for the first time!
