Geoff Johns, Various : Teen Titans by Geoff Johns Omnibus before purchasing it in order to gauge whether or not it would be worth my time, and all praised Teen Titans by Geoff Johns Omnibus:

2 of 2 people found the following review helpful. A fantastic collection By brent Jacobs A tremendous collection of Geoff Johns Teen Titans run. 50 issues all in one huge volume! The bulky nature of the book can make it cumbersome to read. But for the value and quality it can't be beat. 0 of 0 people found the following review helpful. I like it. By Grim Knight Convaluted overall story, seems like they change it on a whim. However I like all the little moments between the characters. Also Rose is really whiney. 1 of 2 people found the following review helpful. Great book! I've loved

them and the original Cartoon ...By Eddie JayGreat book! I've loved them and the original Cartoon Network show since I was little (I'm 17 now) so I've always been trying to read any issues I can find and finally having the full collection is awesome , my only issue is there is some issues missing or parts it's hard to explain. I have copies of issues that for example had Miss Martian having an identity crisis and splitting in two, or Kid Devil going savage, and I've seen issues that Aqua Girl and Static were a part of the Teen Titans but somehow it's not in this omnibus, I'm trying to figure out why or how it's like this and if maybe the issues I'm talking about were made after the omnibus was but it's genuinely really irritating to feel like I'm still missing out, either way though the omnibus alone was a great read that took me a few days and I'm glad I bought it

Witness the birth of the new Teen Titans! Superboy, Kid Flash, Robin, Wonder Girl, Cyborg and more join together to reform the DC Universe's premiere teen superteam! But these youngsters quickly learn the dangers of putting on a costume from classic Titans foe Deathstroke! Plus, the return of former Titans long thought lost, new arrivals in the form of Miss Martian and Ravager, and a life and death battle for the fate of the universe itself as the INFINITE CRISIS arrives! Award-winning fan-favorite writer Geoff Johns' celebrated TEEN TITANS run collected into one giant hardcover tome!
