J. Torres, Mike Norton : Teen Titans Go!: Titans Together before purchasing it in order to gage whether or not it would be worth my time, and all praised Teen Titans Go!: Titans Together:

1 of 1 people found the following review helpful. Good book for fans. By The Watch Geek My son is 8. He needs help to read this book. This is because there's probably one or two words on each page that he can't read. Also, he doesn't get the jokes sometimes. I have to explain it to him. And I have to explain that sometimes the way something is said is the funny part. I honestly think it's a good book because it's teaching him advanced concepts of sarcasm. 2 of 2 people
