Will Pfeifer : Teen Titans Vol. 1: Blinded by the Light before purchasing it in order to gauge whether or not it would be worth my time, and all praised Teen Titans Vol. 1: Blinded by the Light:

3 of 3 people found the following review helpful. Love It!!! By Rachel Chapa Love where the New 52 is taking this title! I just hope it gets enough support so they can keep the series going! I'll always support 1 of 1 people found the following review helpful. ... is used to but definitely has potential to be great. By Robyn A. Pukoszek Not the typical titans everyone is used to but definitely has potential to be great. 1 of 1 people found the following review helpful. This

is a really good read. This is one of my favorite titles ...By HThis is a really good read. This is one of my favorite titles and I enjoyed this incarnation of the Titans.

Red Robin, Wonder Girl, Raven, Bunker and Beast Boy step out of the shadows of the adult heroes of the DC Universe to offer bold, exciting and sometime dangerous ideas on how to protect a world full of superpowered teenagers--any one of whom could be the next heroic figure or major villain!This exciting new chapter in the teen heroes' mythos starts here in TEEN TITANS VOL. 1, written by Will Pfeifer (CATWOMAN) and illustrated by Kenneth Rocafort (SUPERMAN, RED HOOD AND THE OUTLAWS).Collects TEEN TITANS #1-7.

From School Library JournalGr 7 UpRed Robin, Wonder Girl, Raven, Bunker, and Beast Boy are teenage superheroes who fight against the kind of enemies readers might expectterrorists, robots, evil geniuses, and teens who want to use their own abilities for destructive purposes. But they also have other challenges that are affecting their lives. Wonder Girl discovers that she has a fan club of girls who dress like her and want to fight for vigilante justice, but they don't have superpowers, so she feels obligated to protect them. Plus, her mother comes to New York for a surprise visit, and the superheroine has to keep her from harm's way, too. Bunker is defensive about other people's homophobic attitudes, and his violent tirade is recorded and shared with the world. Raven just wants to be an ordinary girl sometimes but finds it difficult to remain incognito. And Red Robin is the only one in the group with no superpowers, and he has to rely on his wits to survive. Rocafort and Hepburn's artwork is colorful, imaginative, and dynamic, especially when illustrating fight scenes and the many entertaining forms that Beast Boy takes throughout the story. VERDICT An exciting volume about teen superheroes who work together to deal with life-or-death problems; a good choice for "Teen Titans" fans as well as readers who are new to the franchise.Andrea Lipinski, New York Public LibraryAbout the AuthorWill Pfeifer began his writing career on FINALS, a well-received Vertigo miniseries he did in collaboration with Jill Thompson. Since then, his writing has appeared in numerous titles for DC Comics, including TEEN TITANS, CATWOMAN, AQUAMAN, BLOOD OF THE DEMON, H-E-R-O, CAPTAIN ATOM: ARMAGEDDON, and WONDER WOMAN.
