Benjamin Percy : Teen Titans Vol. 1: Damian Knows Best (Rebirth) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Teen Titans Vol. 1: Damian Knows Best (Rebirth):

Damian Wayne recruits Star Fire, Beast Boy, Kid Flash (II? not sure what his name is, sorry) to form the new group known as "Teen Titans". The reason for this becomes obvious after issue #1. The antagonists in this volume are good in my opinion and although this volume focuses a lot on Damian Wayne, we also get to see a lot of interactions

between other members that leave space for future material. I have read and heard people criticize Damian Wayne's character but I think you will find him an enjoyable protagonist in this book. I recommend buying this volume. 0 of 0 people found the following review helpful. Four Stars By Welbourne F. Bronaugh III Good book 0 of 0 people found the following review helpful. Great read By Matt I was hesitant to read this series at first, but Damian is quickly becoming one of my favorite Robins with the DC Rebirth banner.

Exploding from the blockbuster DC Rebirth event, its an action-packed new spin on one of the most famous superhero teams of all time, from writer Benjamin Percy (GREEN ARROW) and a titanic team of talented artists including Jonboy Meyers (Spawn), Diogenes Neves (GREEN LANTERN: NEW GUARDIANS) and Khoi Pham (The Mighty Avengers) comes TEEN TITANS VOL. 1: DAMIAN KNOWS BEST. His father is the worlds greatest detective. His grandfather is the worlds deadliest terrorist. He is Damian Wayne, a.k.a. Robin, Son of Batman and he now commands the Teen Titans. Whether they like it or not. When Starfire, Raven, Beast Boy and Kid Flash answer this brash new Boy Wonders call for help, they find themselves on the front lines of a war between Damian and his immortal grandfather, Ras al Ghul. The entire League of Assassins and the elite Demons Fist are prepared to move against these young heroes, all to claim Robin for their own. And if these new Titans are toppled, so be it. The stakes are crystal clear: if they win, they live. If they lose, Robin will join the forces of evil and the rest of them are history. But with Damian in charge, sometimes death doesnt look so bad Its a culture clash for the ages in TEEN TITANS VOL. 1: DAMIAN KNOWS BEST. Collects TEEN TITANS #1-5 and TEEN TITANS: REBIRTH #1.

Beautiful pages to look at, and makes you genuinely excited about what's coming down the line. Nerdist Damian assembling his own version of the Titans is a great hook.
