**Will Pfeifer : Teen Titans Vol. 3: The Sum of Its Parts** before purchasing it in order to gage whether or not it would be worth my time, and all praised Teen Titans Vol. 3: The Sum of Its Parts:

0 of 2 people found the following review helpful. Just when you thought it couldn't be more out of control....By CustomerAnd than it gets even crazier! You thought the first two books were good, this one wraps it all up and man, it is Wild! Great plot and great artwork.1 of 1 people found the following review helpful. TITANS! KEEP GOING!By Cody BurnettLong time fan of the Teen Titans here! This run of TT has been the best, in my opinion! The Sum of Its

Parts continues the trend by delving into a character development story! This time it blew my mind! I want a portrait of this trade cover. Its absolutely gorgeous! It doesnt stop there either! All the art is amazing! Seriously though, If you watched the old Teen Titans and now miss it; or if Teen Titans Go is great, but you miss the action. Start this run!!!! Trust me though, this ain't no TTGo!0 of 0 people found the following review helpful. Lackluster at best.By SpideyThe series is really suffering from a lack of direction and constantly changing creative teams. The first several issues the Titans just flounder from city to city with no direction or purpose. It's boring. The last arc featuring Wonder Girl and Wonder Woman was far better. Hopefully Greg Pak will stick around a while.

**A WORLD AGAINST THEM** The Teen Titans were the greatest team of young heroes ever assembled. Now, in the eyes of millions, they're heroes no more. After the shocking revelations about Superboy shook the team to its core, they're divided amongst themselves and hunted by the outside world. Their leader, Red Robin, is more isolated than ever even as a legion of idealistic but dangerously untested young people takes to the streets of Gotham City, using his identity as an emblem for revolution. To survive as outlaws, the Titans will have to come together as never before and count on the help of unlikely allies including former Batman protégé the Red Hood, no stranger to outlaws himself. And if they make it through, even more stunning secrets await them. Writers Will Pfeifer (**RED HOOD AND THE OUTLAWS**), Scott Lobdell (**SUPERBOY**) and Greg Pak (**ACTION COMICS**) join a talented team of artists including Ian Churchill (**SUPERGIRL**), Miguel Mendona (**WONDER WOMAN**) and more for **TEEN TITANS VOL. 3: THE SUM OF ITS PARTS** a thrilling chapter that takes the team from Gotham City to Themyscira and beyond! Collects issues #14-19.

"Full of energy that befits our youthful heroes."IGN "TEEN TITANS is a welcome surprise.Newsarama TEEN TITANS is a good looking book with dynamic art.Comic Book ResourcesAbout the AuthorWill Pfeifer began his writing career on **FINALS**, a well-received Vertigo miniseries he did in collaboration with Jill Thompson. Since then, his writing has appeared in numerous titles for DC Comics, including **TEEN TITANS**, **CATWOMAN**, **AQUAMAN**, **BLOOD OF THE DEMON**, **H-E-R-O**, **CAPTAIN ATOM: ARMAGEDDON**, and **WONDER WOMAN**.
