Scott Lobdell : Teen Titans Vol. 4: Light and Dark (The New 52) before purchasing it in order to gage whether or not it would be worth my time, and all praised Teen Titans Vol. 4: Light and Dark (The New 52):

The Teen Titans face off against one of their quintessential rivals for the first time in The New 52: the extradimensional

demon lord Trigon!The demon Trigon triumphs over the Teen Titans, turning one of their own against the team! As he begins to turn Manhattan into a staging ground for a demonic takeover of the planet, the Titans must mend the cracks formed between them if they stand any chance against the demonic villains and his corrupted children.
