A great hardcover collection, great binding job!By Nick RicciThis is similar to IDW's previously released Ultimate Hardcover Collections, but in full color. The coloring job is the same as IDW's Color Classics. This hardcover collection contains issues #4855, which is the first half of one of the greatest story lines in TMNT history, "City at War". These

collections only collect Eastman Laird issues as other issues are sort of one off stories that stray from the "main" story line. The book itself is fantastic. The binding is very tight and the book nice and durable, ready to stand up to multiple readings. I highly recommend this hardcover collection, even if you own them digitally or each individual comic issue. It looks nice and classy on a shelf with the other collections!

The Works collects issues #4855, including the stories "Shades of Gray" and the first six parts of "City at War" in all-new color.

About the Author Kevin Eastman- Born in 1962 in Portland, Maine, Kevin began drawing as soon as he was able to hold a crayon. His discovery of comic books gave meaning to his crazed doodling. When Kevin discovered and studied the work of Jack Kirby, Russ Heath, Richard Corben, Vaughn Bode and John Severin, he began to hone his craft. His first published work appeared in 1980, a year or so before he met Peter Laird. In May 1984, he and Laird published Teenage Mutant Ninja Turtles #1, creating the hit heroes in a half-shell. Eastman co-writes Teenage Mutant Ninja Turtles for IDW and can sometimes be found at the San Diego Comic Art Gallery. Peter Laird is an American comic book writer and artist. He is best known for co-creating the Teenage Mutant Ninja Turtles with writer and artist Kevin Eastman.
