Henry Dowell-Playwright I've really enjoyed all of these oversized, colorized reprints of the original comics. 4 of 5 people found the following review helpful. Good, but small format change to exterior By Paul Ok so first off the comics that are within this book are either gonna be stories you like or don't. Personally I like them. That being said my only complaint is the small format change to the front and the spine. It's superficial but it bugs my OCD. Why they felt the need to change it I can't say, but now it my bookshelf with it looks stupid. Of course if you don't have OCD, then you'll dig it. 0 of 2 people found the following review helpful. Four Stars By A. Martinez Ok

The Works collects issues #5662, which contains the conclusion to the epic tale, "City at War" in all-new color.

About the Author Kevin Eastman- Born in 1962 in Portland, Maine, Kevin began drawing as soon as he was able to hold a crayon. His discovery of comic books gave meaning to his crazed doodling. When Kevin discovered and studied the work of Jack Kirby, Russ Heath, Richard Corben, Vaughn Bode and John Severin, he began to hone his craft. His first published work appeared in 1980, a year or so before he met Peter Laird. In May 1984, he and Laird published Teenage Mutant Ninja Turtles #1, creating the hit heroes in a half-shell. Eastman co-writes Teenage Mutant Ninja Turtles for IDW and can sometimes be found at the San Diego Comic Art Gallery. Peter Laird is an American comic book writer and artist. He is best known for co-creating the Teenage Mutant Ninja Turtles with writer and artist Kevin Eastman.
