I was skeptical when Nickelodeon purchased the franchise and when IDW announced the comics. So far I have read every issue and I absolutely love it! It is a great mix of Mirage and the

animated shows. It is darker than what I first imagined, which is what I love. So far in the entire run I found the City Fall run the most entertaining. It has a Mirage "City At War" feel. I assume if you are reading this you have read the previous issues so this should be a no brainer!0 of 0 people found the following review helpful. pretty amazingBy Nicholas J. FirisI have to say I wasn't the biggest fan of the artwork in this one but the story is really amazing. A lot of twists and it is just told so well. I really couldn't put it down.0 of 0 people found the following review helpful. Five StarsBy Ringer127Amazing series!!
