**Rihito Takarai : Ten Count, Vol. 3** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ten Count, Vol. 3:

0 of 0 people found the following review helpful. Well researched and well written!By EllaI read a lot of manga and this one really stands out. The author must have put a lot of research into the disorder the main character suffers from, OCD. The way the story unfolds helps you to have insight to this condition. I love how the romance between the two takes shape, looking forward to the next volume!0 of 0 people found the following review helpful. Lovely mangaBy Celia LannanAnother amazing volume. I can relate so much to the main character and I love the story. All I can say is that this is well worth the buy. If you're considering it, just get it! It's a fantastic read!0 of 0 people found the following

review helpful. Not bad but not the best  
By Isabella  
One of the series I read to tide me over. It started out more about the protag's OCD but shifted its focus to his relationship with the deuterag. I hope to see the focus resume on his treatment.

Corporate secretary Shirotani suffers from obsessive-compulsive disorder in this doctor-patient romance fraught with compulsion!  
Corporate secretary Shirotani suffers from obsessive-compulsive disorder. One day he meets Kurose, a therapist who offers to take him through a ten-step program to cure him of his compulsion. As the two go through each of the ten steps, Shirotani's attraction to his counselor grows. While out on the town with Kurose, Shirotani daydreams about the younger man kissing him. His desire quickly overcomes his phobia of human touch, and he gives himself over to his counselor's hands for relief. Watch as the relationship between the corporate secretary and his counselor continues to boil over in this story of love and therapy.

About the Author  
This is Rihito Takarai's second English-language release, with her first being *Seven Days*. She has also been published in French, Spanish, and German. Born in Hiroshima Prefecture in October, she's a Libra with an O blood type.
